Sir,

Medical - Antimalarial measures in Sullia and Kokkada firkas of South Kanara district - Expenditure - Incurring of - Reference.

Letter CR. 4867/41-B dated 20-8-41 of the Asst.Commr., West Coast sub division.

I enclose herein a copy of the letter of the Asst.Commr., West Coast sub division soliciting orders as to whether he may permit the Inspector, Kasargod circle to meet from office contingencies the expenditure in connection with the purchase of mosquito repellents and nets. I am not sure whether the orders in the Board's Resolution D.No.1193-Abk. dated 3-6-41 supersede the orders in the Board's resolution R.No. 2369-Abk. dated 8-11-40, so far as Sullia and Kokkada firkas of South Kanara district are concerned. I solicit the orders of the Board as to whether the Inspector, Kasargode circle may be permitted to incur expenditure from his office contingencies towards the purchase of mosquito repellants and mosquito nets.

Ref:- Board's Resolution D.No.1193-Abk. dated 3-6-41.

.....

In the Board's resolution cited above, it has been ordered that the Excise staff working or touring in the Revenue firkas of Sullia and Kokkada should take advantage of the scheme of free supply (supply) of drugs, mosquito repellants and mosquito nets. The Inspector of Excise, Kasargode circle addressed the District Health Officer, Mangalore for the free supply of drugs etc. but he has been informed that the Public Health Department is concerned with free supply of drugs (quinnine) only to the Government servants serving in the two firkas. As per the G.O. No.Mis.4726- Public Health dated 21-12-39, the cost of purchasing the mosquito repellants and nets will have to be met by this department. But in the Board's resolution R.No. 2369-Abk. dated 6-11-40, the question of purchasing the mosquito repellants and nets, has been ordered to be postponed till the war ceases and better financial conditions prevail. I therefore request orders whether the Inspector, Kasargode circle may be permitted to incur the expenditure for puchasing the necessary articles from his office contingencies.

Malaria - Anti-malarial measures- Sullia & Kokkad firka's in the S. Kanara Dt. - Mosquito repellant and nets - Expenditure.

From the D.C.S.Dn. C.R.No. 4222/41-D dated 5-9-41.
Board's reference C.R.11960 Abk/41-XD dated 12-9-41.
From the Inspr. Kasargod Roc. 927/41 dated 17-9-41.

In their orders No. 2058-P.H., d/4-6-38 and 4726-P.H., d/21-12-39 the Govt. approved a proposal of the D.P.H. to supply mosquito repellants and drugs to Govt. employees touring in the Revenue firkas of Sullia and Kokkada in the S.Kanara Dt. and mosquito nets in addition to those serving in those areas and their families and dependants. With reference to the above orders, the S.I. and peons of the Sullia range in Kasargod circle are eligible for a supply of mosquito repellants, drugs and nets and the S.I. and peons of Uppinangadi range (in which Kokkada firka is situated) for the supply of mosquito repellants and drugs only. The drugs are to be supplied free by the Dt. Health Office S.Kanara Dt. As regards mosquito repellants, the Board, in para 1 of its reference dated 31-7-40 directed the Inspr. Kasargod to supply it to the establishments in Sullia and Uppinangadi ranges and meet the expenditure from contingencies, as required by the G.O. As regards mosquito nets, it was felt that they might not be used properly and with advantage by the peons.-- vide

the then Commr., Mr. Priestley's remarks at p. 38 (R). Accordingly no orders were issued for supplying mosquito nets to the Excise Establishment in Sullia range. The Board also examined a proposal for obtaining Govt. sanct for the supply of mosquito nets and repellants to Govt. servants in other malarial tracts of S.Kanara Dt. and directed that the question of supplying them to Govt. employees in the malarial tracts of S.Kanara Dt. should be post-poned till the war ceases and better financial conditions prevail. Apparently, the D.C. has taken thi order to supersede the instructions issued in para 1 of Board's reference at pp. 15-16 (R)

Recently, the Board communicated to the D.C. a copy of Memo. No. 1751 G/41 dated 28-5-41 in which the Govt. directed that Govt. servants touring or serving in Sulli and Kokkada firkas should take advantage of the scheme for free supply of mosquito nets, repellants, etc. With reference to this, the D.C. requests orders whether the Inspr. Kasargod circle may be permitted to incur expenditure from contingencies towards the purchase of mosquito repellants and nets. Orders for the purchase of mosquito repellants for the Sullia and Uppinangadi ranges were issued in para 1 of Board's reference at pp. 15-16 (R) and are not superseded by the orders at p. 40 (R) -- vide notes and orders at p. 34 (R). For orders whether the D.C. may be informed accordingly.

As regards mosquito nets, the cost of supplying them to the five peons of Sullia range was reported last

year

Read: From the D.C.S. Dn C.R. No 4222/41 dt 29.11.41

Resn

Sanctioned is accorded to the supply of mosquito nets (with Agricoles) to the nine persons in Sullia range. Purchase should be made urgently as the prices are rising and the cheapest—

articles should not be bought as they will be too small.

2. The D.C.S. is informed that persons serving in ~~Kokkada~~ Eppiyangadi range are not entitled to the supply of mosquito nets under the orders in G.O. No 2058 (P.H.) dt 4-6-1934
